Who is the best supplier of solar power systems in the Philippines?

The most affordable supplier of solar power systems, Solaricis a Philippine Solar Power Company. Turn on the sun! Andal Solar specializes in the installation of high-quality solar photovoltaic (PV) systems, including advanced inverters.

What size inverter do I need for a 6kW solar cell?

A 4.5kw inverter can also be used for the 6kw solar cell at a lower price than the 6kw inverter. Please note that if you want to maximize the size of the inverter, it will be difficult to add more solar panels in the future without adding a new inverter or installing a larger inverter than the original one.

Should I buy a solar inverter?

The price for such a system is quite high, as these inverters are usually more expensive. Also, you'll need more solar panels and a bigger battery to power your home for a few hours during a power outage. I recommend allowing power supply only for essential circuits in such situations, such as the refrigerator, a few lighting installations.
