## Hot sale replacing a breaker for sale company

Where can I get a replacement breaker?

To get a replacement Bryant Type BRD BR 15-15 CU-AL SWD circuit breaker, find an Electrical Supplier in your area. If you are in a remote location and the nearest supplier is more than an hour away, consider getting a replacement through a local Electrician. Note that Bryant is now replaced with Cutler Hammer products, so a Cutler Hammer/Eaton reseller would be more than happy to help you.
