
Huawei Solomon Islands Energy Storage Project

What is Huawei's deal with the Solomon Islands?

The Solomon Islands government celebrated the deal with Huawei as a historical financial partnership between the two countries to implement a project. The loan for this project will come from the Exim Bank of China, which offers a 1% interest rate.

Will China and the Solomon Islands work together?

"This proposal will be a historical financial partnership with the People's Republic of China since the two countries established diplomatic ties in 2019 as the two countries work closely to ensure the successful implementation and operation of the project," the Solomon Islands government said in a statement.

Was Huawei agreement a "slap in the face" for Australia's Prime Minister?

Fergus Hanson, a director at the Australian Strategic Policy Institute think-tank, said that the Huawei agreement was a "slap in the face" for Australia's prime minister Anthony Albanese, who was assured by his Solomon Islands counterpart Manasseh Sogavare last month that Canberra remained the country's top partner.

Why did China sign a pact with the Solomon Islands?

China signed a security and economic pact in April with the Solomon Islands that ratcheted up geopolitical tensions in the Pacific and triggered a stern reaction from the US and Australia in a bid to counter Beijing's growing influence in the region.
