Trusted by NZ installers. We supply premium solar panels, inverters, batteries, cables, and mounting systems -- all in stock locally for fast delivery. Our global brand partnerships mean proven performance and reliability. Expect sharp pricing, responsive service, and tech you can trust -- so your installs are faster, easier, and more profitable.

Where can I buy premium solar panels?

Discover unbeatable prices on premium solar panels at Wholesale Solar. Sourced in bulk directly from manufacturers, our Auckland warehouse ensures quick nationwide shipping. Enjoy full manufacturer warranty. Minimum order: 1 pallet, with extra discounts for bulk orders.

Do solar panels work in New Zealand?

Absolutely! New Zealand has abundant sunshine and generates between 1,700 and 2,100 sunshine hours annually. Some areas, like Nelson and Gisborne, receive as much as 2,400. Solar Panels don't require sunshine; they require daylight, so Solar Panels work year-round, even in the lower South Island.

Who are the best solar installers in Waikato?

I highly recommend Harrison Solar as a brand provider and Andre & Tineka Kavanagh as the local Harrison's installer in the Waikato. Gareth is amazing with everything relating to solar. Gareth is amazing with everything relating to solar. His knowledge of every aspect from design, installation, and operation of solar systems is second to none.
