# New solar container battery in Chiang Mai Thailand

Could a sodium-ion battery be a new business opportunity in Thailand?

The Federation of Thai Industries' Renewable Energy Industry Club sees potential in sodium-ion battery (SIB) production as an alternative to lithium-ion batteries. SIBs, made from rock salt, could offer a new business opportunity given Thailand's abundant rock salt reserves.

What is Thailand's 2024 Power Development Plan?

Thailand's 2024 power development plan (PDP) aims to increase renewable energy use, highlighting the importance of BESS alongside solar panels and wind turbines. This could create new business opportunities for entrepreneurs if prices decrease or new technologies emerge for stationary batteries.

Is Sigenergy the best solar battery manufacturer in Australia?

Future-proof your home with reliable and cost-effective solar energy solutions. Sigenergy was ranked the No. 1 battery manufacturer in Australia by blended capacity for the month of March 2025, according to the latest report from SunWiz, an independent expert solar consultancy.

Who is the authorized distributor for Northern Thailand?

DYNESS has appointed Oelmaier Technology Co. Ltd. (Chiang Mai Solar) as their authorized distributor for Northern Thailand, effective from the 5th of March 2021.
