
Price of a 20kW collapsible container for African mining

Where can I buy a container for a mining camp?

Container World supplies containerised and pre-fabricated /flat-pack complete mining camp solutions. Container World's Multihouse container system provides a rapid solution for your mining camps. Container World has new and used 20ft (6m) and 40ft (12m) CSC certified shipping containers for sale and for hire.

Who is container World?

Container World is the market leader in Africa for the supply of containerised and pre-fabricated /flat-pack complete mining camp solutions. Our mining camps generally consist of a mixture of converted containers and Multihouse's flat-pack units depending on the unique requirements of each mining site.

What are Antbox mining containers?

Antbox Mining Containers are mobile solutions that allow miners to operate without a building to host machines in. Containers can be deployed near an energy provider of your choice, potentially allowing for higher profit margins compared to stationary facilities that are dependent on their local power grid.

Who is container World Offshore?

Container World Offshore specialises in container equipment for the offshore oil and gas industry. Container World supplies containerised and pre-fabricated /flat-pack complete mining camp solutions. Container World's Multihouse container system presents a superior quality space solution at extremely competitive prices.
