
Price quote for 20kW solar-powered container shipping at Middle Eastern ports

Are 40' containers more expensive than 20' containers?

The prices of 40' containers aren't necessarily twice that of 20' containers. Hence, for clarity, it is crucial to mention the costs of the two container types separately. GoComet offers a free freight rate comparison tool that shows the lowest international shipping prices offered by vendors for a selected port pair.

How do I get a container shipping quote online?

With Quick Quotes, you can generate an online container shipping quote in just 30 seconds. All you need is access to our Online Business Suite to get started.
