
Solar curtain wall manufacturer for office buildings in New Delhi

Who is glass wall systems (India) Limited?

"We create future architecture marvels by building them today." Glass Wall Systems (India) Limited is India's leading facade fabricator. We provide turnkey architectural facade solutions where we translate the vision of our clients into reality. Our Design, Manufacturing and Project Management facilities are amongst the best in the country.

Why is aluminium curtain wall glazing popular in India?

This versatility is particularly evident in aluminium curtain wall glazing in India, where architectural creativity meets structural integrity. Beyond their primary role as a building envelope, curtain wall systems can be integrated with a range of auxiliary functions.

What is a photovoltaic curtain wall?

They enhance thermal comfort and help prevent the greenhouse effect. A standard curtain wall offers no return on investment. In contrast, a photovoltaic curtain wall not only insulates the building but also generates power for over 30 years. This reduces monthly electricity bills and ultimately pays for itself over time.

Why should you choose curtain wall glass facade in India?

The abundant glazing area allows for ample daylight penetration, creating a bright and inviting atmosphere. This feature is particularly advantageous in curtain wall glass facade in India, where daylight utilization is optimized to meet both aesthetic and environmental goals.
