# Western European container ship generator manufacturers

Where can I find a ship generator set?

Find your ship generator set easily amongst the 69 products from the leading brands (Baudouin,Fischer Panda,Caterpillar,...) on NauticExpo,the boating and maritime industry specialist for your professional purchases.

What is a containerised generator?

Our Containerised Generators deliver robust,high-capacity power from 300-3,000 kVA in secure,weather-resistant enclosures. Designed for challenging environments and critical applications,they offer noise reduction,easy transport,and bespoke configuration to meet your site's exact needs.

Can a marine generator be used offshore?

Our marine generator sets can be used both in port and offshore. They are designed to operate under high humidity conditions and withstand the corrosion of the marine environment,boasting a low noise level thanks to their soundproofed cabins.

What makes our compact marine generators for boats different?

Our compact marine generators for boats are assembled with high quality motors and alternators from the leading brands on the market and are specific for marine applications. In addition,the soundproofed cabins that we design offer a key difference from the current market offer.
