
Wholesale switchgear breaker in Italy

Who makes low voltage switchgears?

Max. The company offers low voltage switchgears as part of its industrial automation solutions. The company specializes in designing innovative electrical systems and is currently engaged in constructing two medium voltage (MV) switchgear stations for a Battery Energy Storage System (BESS) project.

Who manufactures MV equipment & switchgears?

SEL is an Italian company that manufactures MV equipment, switchgears and RMU. SEL is specialized in the design of the complete assembly including all the internal components such as switching devices and circuit breakers of all its various products: RMU, metal enclosed, outdoor, primary and secondary distribution switchgears.

What are the different types of switchboards?

Medium Voltage Switchgear, Medium Voltage Switchboards, Low Voltage Switchgear, Low Voltage Switchboards, Metal Clad, Motor Control Center MCC and Power Center Switchboards, Distribution & Power Switchboards. Design, production, delivery, maintenance, assistance, modification, substitution and repair - all over the world.

What is ATR switchgear?

ATR is an air-insulated (AIS), metal enclosed medium voltage switchgear, mainly used for secondary distribution power systems. Il Gruppo IME has been a key player in the industrial switchgear market since 1962, specializing in medium and low voltage switchgear and electromechanical systems.

Electrical Equipment Online - Stock Elettrico Stock Elettrico®; is the Online Electrical Material Wholesaler, number one in Italy. Distributor of the main Italian and International brands. Stock ...

TMsec switchgear is composed by modular unit with IMS type Gsec and circuit breaker type HD4/R insulated in SF6 or VD4/R vacuum insulated. Controls are very reliable and could be ...

A circuit breaker is an automatically operated electrical switch designed to protect an electrical circuit from damage caused by excess current, typically resulting from an ...

SEL is an Italian company that manufactures MV equipment, switchgears and RMU. SEL is specialized in the design of the complete assembly including all the internal components such ...

Industrial Electrical Switchboards and Switchgear Medium Voltage Switchgear, Medium Voltage Switchboards, Low Voltage Switchgear, Low Voltage Switchboards, Metal Clad, Motor Control ...
